

Make Cyber Dignity Go Viral 2019: Teaching Pro Bono Digital Age Law to Teens and Young Adults
San Francisco and Live Webcast—www.pli.edu, November 11

AGENDA

Morning Session:

10:00

Opening Remarks

Carrie M. LeRoy

10:15

Presenting the Law to Teens and Young Adults on Digital Age Crimes: A Primer for Lawyers, Part I

- Hear lessons learned from the Audrie Pott case
 - Understand laws, such as the California Eraser Law (*Privacy Rights for California Minors in the Digital World, Business and Professional Code Sections 22580-22582*), related to the removal of certain content
 - Find out about laws relating to unlawful content distribution and sexual assault, such as California Penal Code 799
 - Learn how to frame digital age crimes for a young audience to encourage reporting and deter unlawful conduct disproportionately affecting young people
 - Get tips on teaching youth consent in the post-#metoo movement era, with reference to recent changes in California's statute of limitations for certain sexual offenses
- Defining Cyber-Crimes Affecting Teens and Young Adults, Part I
 - Identify digital age hate crimes, such as the Cyber-harassment, Cyber-bullying, Cyber-stalking and laws directed at deterring such crimes, including *California Penal Code 442, 653.2, 653m, 647(j), and 647(k)*
 - Distinguish sexting from sextortion
